Seva Sankranti Drive

**Share a Grain,
Spread a Smile**

To inculcate values of empathy, kindness, and social responsibility among students by encouraging them to share food grains and celebrate the festival through service to the needy.

Dear Parents,

This Makar Sankranti, let us celebrate the festival of harvest with compassion and care. S.D. International School is organizing the Seva Sankranti Drive – Share a Grain, Spread a Smile to inculcate values of empathy, kindness, and social responsibility among our students.

As part of this initiative, each student is requested to bring a handful of rice or pulses from home. The grains will be collected in a box placed in their respective classrooms.

All the collected grains will be lovingly gathered, cooked, and shared with the needy, transforming small offerings into warm meals and hopeful smiles.

This **Makar Sankranti (14 Jan, 2026)**, will be the celebration of Joy of giving and sharing smiles.

We sincerely thank you for your continued support in nurturing socially responsible and compassionate citizens.

With gratitude,
Team SDI
