## IMPORTANT NOTICE

### PROHIBITION OF GEARED TWO-WHEELERS ON SCHOOL PREMISES

Dear Parents/ Guardians

Warm Greetings

As part of our ongoing commitment to ensuring the safety and well-being of our students, we would like to bring to your attention an important policy update regarding transportation to school. After careful consideration and consultation with relevant authorities, we have decided to prohibit the use of geared two-wheelers on the school premises.

However, we understand that there may be exceptional circumstances wherein a child may need to use a two-wheeler for transportation to school. In such cases, permission must be sought from the school administration, along with the submission of required documents, as mentioned in the two-wheelers policy.

Thank you for your cooperation.

Yours sincerely
